GRAVES REGISTRATION

1. Burials for the Rock Force were conducted at USAF Cemetery #1, Mariveles, by the 101st QM Graves Registration Ser Det. Total burials for the 503d RCT were 159.

2. Six bodies were unrecovered from Corregidor; four were buried in landslides, and two were disposed of by the enemy. The names of the deceased and localities of bodies as reported by eye-witnesses are:

1st Lt	Bennel H Stone	O-2036082	Co H	(32.4 - 41.4)
T/5	Lester H Pinter	36376168	MD	(35.80-40.85)
Pfc	James R Moore	32148195	Co H	(32.4 - 41.4)
Pvt E	Elbert C Levenguth	32948864	Co H	(32.4 - 41.4)

The other two bodies were at (30.85 - 39.50) but due to the tactical situation, it was not possible to remove these bodies on the night of death. A return to the area in the early morning of the following day showed that not only had the bodies of the two Americans been removed, but also those of enemy dead. Inasmuch as it was not possible for any friendly troops to have preceded the searching party to the area, it is assumed that the enemy had disposed of his own and our dead men. The names of these deceased who could not be found are:

2nd Lt	Emory N Ball	O-1308585	Co E
Pvt	Howard J Jandre	37587561	Co E
